

Attention

All Parents and Guardians of Parks Junior High Students

The following are traffic patterns that help to keep the children safe:

1. The drop off and pick up zone on Parks Road is located north of the cross walk at Conejo and continues to the driveway entrance to the school.
2. Drop off and pick up zones have been designated in front of the school on the right lane. For the safety of your child, do not ask them to enter the car on the middle lane, as this lane is used for cars to pass through. If you are picking them up you must stop on the right lane by the curb.
3. Follow the signs to know which areas are appropriate for drop off and pick up.
4. When exiting the parking lot and turning left you may enter the median to merge with traffic going westbound on Rosecrans Avenue. Students may not be off campus waiting for rides. Students waiting to be picked up on the streets adjacent to Parks after 2:40 p.m. will be walked up to the front of the school for pick up.

OBEY ALL TRAFFIC SIGNS AND MARKINGS. ALL TRAFFIC LAWS WILL BE STRICTLY ENFORCED BY THE FULLERTON POLICE DEPARTMENT.

If you have questions contact Parks Junior High School at (714) 447-7785.

Do your part to reduce traffic congestion by carpooling, or encouraging your students to walk to school or ride their bikes
